REFERENCE LETTER

In March 2016 Empik LLC with seat in Warsaw, 104/116 Marszałkowska Street established cooperation with Edge One Solutions LLC as regards IT employee outsourcing.

Consultants recommended by Edge One Solutions have taken part in information technology projects run by Empik LLC, as well as in an on-going IT systems service.

In the cooperation so far, Edge One Solutions consultants have supported Empik LLC in the development or modification of systems based on Java technology.

During the cooperation, Edge One Solutions specialists have shown excellent credentials in the field of analysis, development and delivery of matter-of-fact systems, as well as in managing and realizing assigned tasks.

We hereby recommend Edge One Solutions LLC as a competent and trustworthy partner in creating and delivering information technology systems.
