## Reference Letter

Sabre Polska with seat in Kraków, 6d Wadowicka Street confirms the fact that they remain in cooperation with Edge One Solutions LLC as regards IT consultants outsourcing in specialist teams in the following technologies:

- C# (.NET / ASP.NET)
- Java 7/8 (Spring / Hibernate / Swing)
- C++ (MFC / Boost / BCG)
- Quality Assurance (Manual Testing / Automation Testing – Selenium)
- JavaScript (Angular / Backbone / React)

Edge One Solutions specialists realize project tasks relating to software development from the bottom up, using AGILE methodology.

Sabre Polska finds existing cooperation with Edge One Solutions very successful and expresses contentment regarding promptness and quality of the IT services Edge One Solutions delivers.

Thanks to excellent preparation and painstaking execution of the assigned tasks, products delivered by Edge One Solutions meet client's expectations fully, being of high quality, failure-free and functional.

We are happy to recommend Edge One Solutions LLC with full conviction, as a reliable and loyal business partner.
